FOR ALL PACKAGES:

- If a cycle is abandoned prior to egg collection, this will be disregarded from the 3 cycle package and charged at the standard rate (depending on the number of scans performed – see price list).
- The package is considered to be fulfilled when all three egg collections have been performed.
- All 3 cycles are to be completed within one year of purchase.
- There is no refund offered if no eggs are collected, eggs are collected but immature or do not achieve fertilization or if nothing is suitable for freezing
- In the event that you decide to opt out of the three cycle package, we will recharge the cycles undertaken at standard price list fees that applied at the time of treatment and refund the remaining difference.
- Payment of the package fee is required in full prior to first egg collection.
 - */** - If ICSI or IMSI is required with Natural cycles packages only 1 fee to be applied over 3 cycles

** - For 3-cycle natural IVF package, no refund will be due should ongoing pregnancy beyond 24 weeks be achieved in either of the first 2 cycles
